In accordance to the increase of the Company's registered capital in the amount of THB 120,641,793.25 from the existing registered capital of THB 180,970,466.50 to be the new registered capital of THB 301,612,259.75 by issuing 482,567,173 newly ordinary shares at the par value of THB 0.25 per share as detailed in clause 3. After the allocation of newly issued ordinary shares to the investor, the investor will represent 40 percent of the Company's total issued shares (after the paid-up capital registration). Therefore, such issuance and allocation of newly issued ordinary shares is considered a transaction to a potential controlling person of the Company. Furthermore, the investor will have the rights to nominate **three persons from the current seven persons** to be a director for the Company, follow the proportion of shares held by the investor. Hence, such issuance of the newly issued shares to the investor is considered a connected transaction for the listed Company pursuant to the Notification No. TorJor. 21/2551 prior to connected transaction rules, dated August 11, 2008 (as amended) and the Notification of the board of governors of the Stock Exchange of Thailand prior to Disclosure of Information and Other Acts of Listed Companies Concerning the Connected Transactions, 2003, dated November 19, 2003 (as amended) ("**Notification of Connected Transactions**"). The valuation equivalent to 174.98 percent subject to the Company's net tangible assets (NTA), greater than THB 20,000,000 and greater than 3 percent of the Company's net tangible assets pursuant to consolidated financial statement for the period ended March 31, 2018. Therefore, the Company must obligate subject to the Notification of Connected Transactions by disclose information memorandum regarding to the Company's transaction to the Stock Exchange of Thailand and proceed as follow:

- (1) Convene a Shareholders' Meeting by deliver the invitation letter to shareholders no less than 14 days prior to the meeting date to consider to approve such transaction with a vote of not less than three-quarters of the votes of all shareholders attending the meeting and having the right to vote, excluding interested shareholders' equity;
- (2) Appoint an independent financial adviser (IFA) to provide an opinion pursuant to the Notification of Connected transactions, which the Company appointed Advance Capital Services Co., Ltd. as IFA.

Nonetheless, the Company has no other connected transaction with the same connected person or related person or close relatives subjected to the connected person, within 6 months prior to this transaction agreement date. **In addition, such allocation and issuance of the newly issued shares of the Company to the Investor is not considered as an acquisition of assets transaction as Type 4 transaction or backdoor listing pursuant to the Notification of the Capital Market Supervision Board No. TorJor. 20/2551 Re: Rules for Significant Transactions Constituting an Acquisition or Disposal of Assets and the Notification of the SET Re: Disclosure of Information and Practice of Listed Companies Concerning the Acquisition and Disposal of Assets B.E. 2547 dated October 29, 2003 (as amend).**

Such issuance of the newly issued shares is treated as an offering which the Shareholders' Meeting has a resolution clearly specified the offering price at THB 0.80 per share which is considered as an offer of newly issued share at a price not lower than 90 percent of market price pursuant to the Notification of the Capital Market Supervisory Board Re: Permission for Listed Companies to Offer Newly Issued Shares to Specific Investors dated October 28, 2015 (as amended) (the "**Notification No. TorJor. 72/2558**"). "Market Price" for the newly issued share offering to the investor is calculated from the weighted average price of the Company's shares listed on the Stock Exchange of Thailand – MAI ("**SET**")

for the previous 15 consecutive business days prior to the resolution of the Board of Directors' Meeting proposing the Extraordinary General Meeting of Shareholders No.1/2018 to approve the issuance and allocation of the newly issued ordinary shares to the specific investor on a private placement basis, which the share price between May 21, 2018 – June 11, 2018 is equal to THB 0.87 per share (source: SETSMART from www.setsmart.com).

In addition, such issuance of the newly issued shares must be approved at the Shareholders' Meeting of the Company with a vote of not less than three-fourths of the votes of the shareholders attending such meeting and having the right to vote. In addition to seeking approval for the allocation and offering of the Company's newly issued ordinary shares at the Shareholder's Meeting the Company must obtain an approval from the Office of the Securities and Exchange Commission ("SEC") to offer the newly issued ordinary shares to the specific investor pursuant to the Notification No. TorJor. 72/2558 prior to the allocation and offering of the Company's newly issued ordinary shares.

If the offering price of the Company's newly issued ordinary shares is lower than 90 percent of the market price of the Company's shares prior to the first date that offering of the newly issued ordinary shares, the Company shall prohibit the investor to sell the Company's newly issued ordinary shares within 1 year from the first day on which the Company's newly issued ordinary shares are first traded on the SET (Silent Period). Nonetheless, the investor may sell not more than 25 percent of the lock-up shares after the Company's newly issued ordinary shares have been traded on the SET for 6 months according to the Notification of the Stock Exchange of Thailand Re: Criteria, Condition, and Procedure in Considering an Application to Approve to List Newly Issued Ordinary or Preference Shares as Registered Securities B.E.2558, dated May 11, 2015 (as amended).

In this connection, the Board of Directors has verify the investor's profile and view that such investor has sufficient fund for subscribe the newly issued shares which offering to the specific investor on a private placement basis and has a strong financial status. Therefore, this capital increase will help to support the Company's financial liquidity, capital structure, potential for generating income in the future and the better financial status as the Company does not create an additional liability from loan and can reduce the financial cost. Also, the Company foresee the growth of Biodiesel industry as the government support this kind of business as it is a clean renewable energy compare to diesel. This will help to reduce the purchase of Crude Oil from other country and also support stability of the power business of Thailand. The Company contemplates to expand its business to cover **crude palm oil (CPOA) trading business for biodiesel and edible oil**. Therefore, apart from the benefit from the source of fund of investor, the Company also bring the investor's knowledge experiences in the Palm Oil business as the raw material in the food industry, pet food industry, and biodiesel to support the business plan regarding the expansion of **crude palm oil (CPOA) trading business for biodiesel and edible oil** of the Company.

Details of the Board of Directors' opinion and details of the capital increase and the allocation of the newly issued ordinary shares are as shown in the Information Memorandum regarding the Offering and Allocation of the Newly Issued Shares of Ocean Commerce Public Company Limited to the Specific Investor (Private Placement) (**Enclosure 1**) the Capital Increase Report Form (F53-4) (**Enclosure 2**) and kindly consider details in Information Memorandum regarding the Connected transaction of Ocean Commerce Public Company Limited (**Enclosure 3**)

In this regard, the Board of Directors approve to propose to the Extraordinary General Meeting of Shareholders No. 1/2018 to consider and authorize the director or executive committee or the chief executive officer or other person assigned by the director or executive committee or the chief executive officer, to be an authorize person to determine the terms and conditions and other details as necessary for and in connection with the issuance and offering of newly issued shares as it deems appropriate, including but not limited to the following matters:

- (1) To determine or to amend details, methods, any other relating conditions regarding the issuance and offering of the newly issued shares, share subscription, the offering of newly issued shares date and the share capital increase payment method
- (2) To negotiate, agree, sign, and to amend agreements, document, sell reports, disclosures, waivers, reports, applications, and other significant evidences relating to the issuance and offering of newly issued share including to contact and filing required document and other relating document for approval to the SET;
- (3) to sign, amend contact or report any information in the application and necessary document for the offering and allocation, share subscription and deliver such share including contact and filing the application, documents and evidence to the Ministry of Commerce, SEC, SET government agency, and/or relating authority regarding the issuance and offering of newly issued shares, and the listing of the newly issued shares in the SET; to have an authority to process as deemed necessary and appropriate, concerning the above mentioned, and to ensure that the issuance and offering of the newly issued shares is complete

6. Approved to propose to the shareholder's meeting to consider and approve a waiver from the requirement to make a tender offer for all securities of the business by virtue of the shareholder's meeting resolution (Whitewash):

Following the Company's proposed offering and allocation of the Company's 482,567,173 newly issued shares to the investor, representing 40 per cent of the Company's total issued shares (after the paid up capital registration) as detailed in clause 5). Therefore, the investor is required to make a tender offer for all securities of the Company pursuant to the Securities and Exchange Act. B.E.2535 (as amended), and the Notification of the Capital Market Supervisory Board TorChor. 12/2554 Re. Rules, Conditions and Procedures for the Acquisition of Securities for Business Takeovers (as amended).

However, the investor does not wish to make a tender offer for all securities of the Company, but wishes to apply for a waiver from the requirement to make a tender offer for all securities of the business by virtue of the resolution of the Shareholders' Meeting (Whitewash), in accordance to the Notification of the Office of the Securities and Exchange Commission No.SorJor.36/2546 Re: Rules for the Application for Waiver from the Requirement to Make Tender Offer for All Securities of the Business by Virtue of the Shareholders' Meeting Resolution, dated November 17, 2003. According to the said rules on an application of a tender offer waiver, the application of the waiver from the requirement to make a tender offer for all securities of the business requires approval from the Shareholders' Meeting of such company, with a score of at least three fourth of the voting rights held by shareholders attending such meeting and having a right to vote, less the votes of the shareholders that are person under Section 258 of the investor; moreover, the Company's Board of Directors shall provide opinions towards the following matters:

- 1) The Rational and Necessity to Increase Capital:

Recently, retail business trend is decelerate due to the continuously decreasing of economic status and consumption product resulting the total revenue and net profit of the Company is decreased. In 2017, the Company has total revenue of THB 294 Million decreasing from THB 322 Million in 2016 or equal to 11 percent which result the Company's net profit in 2017 is THB 32 Million decreasing from THB 2 Million in 2016. The Company study for the business expansion in relation to crude palm oil (CPOA) trading business for biodiesel and edible oil which is not the Company's previous expertise, the Company considers that the Investor is specialized in this industry who could contribute knowledge, skills and experiences in the palm oil business to enhance the Company's efficiency in business expansion. Moreover, in building additional business alliances in connection with tasks which were not the Company's previous expertise, having generally accepted in this business, having good relationships with suppliers to become the major shareholders will promote good company image and attract more investors.

Additionally, the Company conducted a feasibility study regarding CPOA trading for biodiesel and edible oil. The study shows that the key success factors are sufficient working capital and strong relationship with suppliers and customers; in addition, the business growth is approximately 8%-10% per year with increasing demand for biodiesel and profit margin of 3%-5% of the total revenues

For the current Company's business policy, the Company major products are parts for products assembly of faucets, water supply products, and sanitary wares which can categorized the products which the Company is a distributor and manufacturer and being a distributor of tools and other products under trademark "Goodyear".

The necessity of the increase capital is that the proceeds will be an initial working capital to operate CPOA trading for biodiesel and edible oil. Therefore, the Company plan to use the money from the issuance and allocation of 482,567,173 newly issued shares at the par value of THB 0.25 per share and at the offering price of THB 0.80 with the total value of THB 380,053,738.40. as a working capital for such business (please see details in Enclosure 1, No. 2)

In addition, the Company shall amend the commercial contract from a short term to a long term contract, secure Back-to-Back agreement to avoid unnecessary surplus stock, and consider to export crude palm oil (CPOA) trading business for biodiesel and edible oil due to the high demand and to reduce the reliable on the domestic revenue. The Company also aware of the risk and impact if the Company is unable to operate as plan i.e. accessibility of the raw material, high competition and reliance on the government policy. However, the Company will be benefit from the good business relationship with the palm cultivator i.e., the co-operative farmer and a good relationship with the customer who will use crude palm oil (CPOA) trading business for biodiesel and edible oil which is the company who operate the production of biodiesel business i.e., Global Green Chemicals Public Company Limited and Bangchak Corporation Public Company Limited.

The Board of Directors view that the issuance and allocation of newly issued ordinary shares to the private placement investor is appropriated and being an essential part to support the Company's business plan.

- 2) Objective regarding the Issuance of Newly Issued Shares to Offer to the investor:

Based on the aforementioned of the Company's business plan, the Company will use such fund from this issuance and allocation of the newly issued shares to the private placement investor as an initial working capital for crude palm oil (CPOA) trading business for biodiesel and edible oil and to bring industry knowledges and experiences to ensure and enhance the business.

Therefore,, the Company view that the allocation and offering of capital increase ordinary shares to the Investor is reasonable.

- 3) Relationship Between the Investor and the Company, the Company's Executive, Controlling Person, or Major Shareholder; and Material Agreement amongst Them:

Currently, the Investor does not have any relationship with the Company, the management, the person having control, or major shareholder of the Company. Nevertheless, after the subscription of capital increase ordinary shares, the Investor will become a major shareholder of the Company as shown in details under item No. 5.

- 4) Benefits of Effects from the Company's Policy or Business Plan Resulting from the Acquisition of Shares by the Investor including the Possibility of such Policy and the Company's Business Plan:

Expected benefit is the opportunity for the potential growth business and the profit including the increase the revenue channel and disperse the risk for the Company's business operation.

However, the Investor does not intend to delist the shares of the business from listed securities in the SET. In addition, the Investor does not have the policy to significantly change the management plan, organizational structure and financial structure, save for the implementation of the Company's plan. However, in order to increase the efficiency and capacity in business competition, the Investor may reconsider and amend the Company's organizational structure, management plan and financial structure in the future to make it in line with the Company's then business and financial status, as amended each period.

- 5) Opinion Proposed to the Shareholders on whether the Investor Should acquire the Newly Issued Securities without Making a Tender Offer for All Securities of the Company and Rationale Therefore:

The Company's Board of Directors approve to propose to the Shareholders' Meeting to consider and approve the application for a waiver from the requirement to make a tender offer for all securities of the business (Whitewash), since the aforesaid application for a waiver from the requirement to make a tender offer for all securities of the business was reasonable, given the necessity to increase the Company's registered capital, and benefits that the Company would receive from such increase of capital as shown in (1) to (4) above.

7. Approve an appointment of Advance Capital Services Co., Ltd. as a financial advisor listed by the SEC, to be the Company's Independent Financial Advisor to provide the following opinion:

- (1) the waiver from the requirement to make a tender offer for all securities of the business by virtue of the shareholder's meeting resolution (Whitewash) and
- (2) the Company's connected transaction on issuing 482,567,173 newly ordinary shares at the par value of THB 0.25 per share, at the offering price of THB 0.80 with the total of THB 380,053,738.40 to propose the offer and allocation to the investor.

8. Approved to the Extraordinary General Meeting of Shareholders No. 1/2018 to consider and approve the amendment of the Company's objectives and add of the Company's objectives, from 27 clauses to 29 clauses, as follows:

“Clause 28 Conducting a business of Manufacturing and trading of Palm Oil

Clause 29 Conducting a business of Oil palm plantations and crushing mills, storage of palm oil and oil from all plant”

In this connection, the Board of Directors approved to propose to the Extraordinary General Meeting of Shareholders No .1/2018 to consider and authorized the Board of Directors and/or the authorized directors and/or the person assigned by the Board of Directors and/or the authorized directors to empower to revise, add, change in wording in the objectives as appropriate to comply with the public company registrar for the purpose of the change of objectives registration with the Ministry of Commerce.

Name: Mrs. Chatchaya Tritrakulchai

Address: No. 599/195, Ratchadaphisek Road, Chatuchak Sub-district, Chatuchak District, Bangkok

Education:

Bachelor Degree Bachelor of the Faculty of Information and Communication Technology of Mahidol University

Occupation/experience:

2013 - Present	Director and 95% percent shareholder (including spouse)	Paragon Agritech Co., Ltd. Business type: trading of Crude Palm Oil type A or CPOA and Crude Palm Oil type B or CPOB
2014 - Present	Director and 100% percent shareholder (including spouse)	Lamair Palm Oil Co., Ltd. Business type: trading of Crude Palm Oil type A

or CPOA and Crude Palm Oil type B or CPOB

2017 - Present	Director and 99.9% percent shareholder (including spouse)	Triple P Global Intertrade Co., Ltd. Business type: Distribution of edible cooking oil, “Savoey”
----------------	---	---

Mrs. Chatchaya Tritrakulchai has established Paragon Agritech Co., Ltd., located in Trang province, in 2013 to operate crude palm oil trading type B (CPOB) for animal feed mill industry, and then expand to start crude palm oil trading type A (CPOA) for biodiesel and edible oil. In 2017, she has established Lamair Palm Oil Co., Ltd., located in Trang province to operate CPOA and CPOB trading. In addition, she has stepped into retail business by establishing Triple P Global Intertrade Co., Ltd. to outsource third party to secure raw material and produce edible cooking oil under its own brand, “Savoey”.

However, after the given capital increased, the Company will operate CPOA trading for biodiesel and edible oil, whereas Mrs. Chatchaya Tritrakulchai will not operate the same business with the Company and operate only CPOB trading for animal feed mill. Therefore, there is no conflict of interest because the substance and use of CPOA and CPOB are clearly different.

Relationship with the Company:

Currently, Mrs. Chatchaya Tritrakulchai has no relationship with the Company. However, after the execution of the Share Purchase Transaction, Mrs. Chatchaya Tritrakulchai shall hold 40 percent of all issued shares of the Company (after registration of the Company’s paid-up registered capital increase).

5. Opinions of the Board of Directors

5.1 Reasons and necessities for the capital increase

With given business plan above, the Company will use the proceeds from the increased capital as an initial working capital to operate CPOA trading for biodiesel and edible oil.

Therefore, the Board of Director views that the issuance and allocation of the newly issued shares to the private placement investor is reasonable because it will enhance and support efficiency and ensure confidence in starting a new business, CPOA trading for biodiesel and edible oil which will also enhance the Company’s growth and support government policy re: Alternative Energy.

5.2 Possibility of the Proceeds Utilization Plan

The Energy Alternative Development Plan 2015 – 2036 under Department of Alternative Energy Development and Efficiency, Ministry of Energy with target daily biodiesel production of 7.0 million liters per day in 2036 from 3.4 million liters per day in 2016 is a solid confirmation on government supporting policy in biodiesel. Therefore, the Company is strongly confident in the business plan to operate crude palm oil (CPOA) trading business for biodiesel and edible oil with solid growth per the government policy. In addition, the Company aims to create competitive

advantages and sustainable platform in such business. Also, the business plan is focus on the exportation of CPOA for the production of biodiesel and edible oil to overseas which continuously grow and reduce the reliability on the domestic revenue.

In addition, the Board of Directors view that the issuance and allocation of the newly issued shares to the private placement investor will help the Company to obtain additional cash flow for serving for the working capital of the Company for the Company's business operation regarding the crude palm oil (CPOA) trading business for biodiesel and edible oil. This will increase the liquidity and reduction of cost and time for finding source of fund for the current and future business operation of the Company.

5.3 Potential impact of the capital increase on the business operation, financial status and overall business results of the Company

The Board of Directors view that the issuance and allocation of the newly issued shares to the private placement investor will strengthen the long-term financial structure and the debt to equity ratio of the Company by increasing more financial flexibility for future project and reserve as a working capital for the Company's business operation. Therefore, such capital increase shall not material adverse effect to the business operation, financial status of the Company.

In addition, in a long term, the Company will be benefit from using the investor's knowledge, skills and experiences in the palm oil business to enhance the Company's efficiency in business expansion regarding crude palm oil (CPOA) trading business for biodiesel and edible oil which were not the Company's previous expertise. Also, the Company foresee the growth of Biodiesel industry as the government support this kind of business and generating income to the Company.

5.4 Reasonableness of the offering price and the background for determination of such price

The Company determined the offering price by the weighted average market price for the previous 15 consecutive business days (May 21, 2018 – June 11, 2018) prior to the Board of Directors' Meeting has passed a resolution. The Company believes the market value reflects the actual value of the Company as cleared, faired and acceptable manner. Nevertheless, the Company has considered the benefits regarding to acquiring the capital from the issuance of the new shares, as a beginning of the establishment on the crude palm oil (CPOA) trading business for biodiesel and edible oil. Including the experiences and expertise of the Investor, to enhance knowledge and understanding regarding the business as a strong foundation of sustainable growth in the trading of Palm Oil for production of biodiesel business. The Company has considered the discount of THB 0.07 per share from the market value, or equivalent to 91.95 percent from the market value and such price is not lower than 90 percent of market price pursuant to the Notification No.TorJor. 72/2558.

Upon the consideration of the reason, necessity and the benefit that the Company will receive from the aforementioned issuance and allocation of the newly issued shares to the investor. The Board of Directors has approved such issuance and allocation of the newly issued shares to the investor and opined that the allocation to the investor, terms of allocation and the offering price are appropriate and shall be the maximum benefit to the Shareholder.

5.5 Reasons and necessities for the issuance and allocation of newly issued capital increase ordinary shares to the private placement investor

The Company view that the investor will provide a long term relationship which the Company can use the investor's knowledge and experience in the Palm Oil business to support the Company's business

expansion regarding the trading of Palm Oil for production of biodiesel business which the Company is not familiar with and the Company foresee the potential growth of this business industry and the opportunity to increase the revenue for the Company and the benefit to the shareholders and the Board of Directors view that such investor has sufficient fund and stable of financial status.

Expected benefit is the opportunity for the potential growth business and the profit including the increase the revenue channel and disperse the risk for the Company's business operation. Therefore, the issuance and allocation of the newly issued shares of the Company to Mrs. Chatchaya Tritrakulchai will help the Company to have a working capital for starting the business of crude palm oil (CPOA) trading business for biodiesel and edible oil. including bring the investor's experiences in the manufacturing and trading Palm Oil including the good business relationship with the suppliers to serve the Company's business expansion regarding crude palm oil (CPOA) trading business for biodiesel and edible oil. The Board of Directors view that the issuance and allocation of newly issued ordinary shares to the private placement investor is appropriated.

6. Warrant of Directors

In the event where any director of the Company fails to perform his/her functions with integrity and due care to protect the Company's interests from this capital increase, and such failure has caused damage to the Company, the shareholders may take legal actions to claim damages from such director on behalf of the Company pursuant to Section 85 of the Public Limited Companies Act B.E. 2535 (1992) (as amended). In the event where the performance of such functions has caused any directors or persons concerned to gain undue benefits, the shareholders may take legal actions to recover such benefits from the directors on behalf of the Company pursuant to Section 89/18 of the Public Limited Companies Act B.E. 2535 (1992) (as amended).

In addition, the Board of Directors hereby certifies that having carefully considered and verified information of the investors, the Board of Directors is of the opinion that the allocation of shares for capital increase to such investors is justifiable, and such investors are capable of such investment, possess know-how or experiences beneficial to or supportive of the Company's business, and may be utilized to the Company's benefit.
