| Profit (loss) before income tax expense       | 10,442    | 4.36%   | 27,355    | 8.66%   | (16,913)           | -61.83%  |
| Inome tax expense                             | (488)     | -0.20%  | (5,078)   | -1.61%  | 4,590              | -90.39%  |
| Net profit (loss) for the period              | 9,954     | 4.15%   | 22,277    | 7.05%   | (12,323)           | -55.32%  |

Remarks: The ratio in the income statement is expressed as a percentage of total revenue, except for the cost of services and gross profit that expressed as a percentage of revenues from services.

#### Services revenue:

Revenue from industrial waste disposal services for the Third Quarter decreased by 26.77 Million Baht or 24.69 percent compared to the same period of the previous year. The decrease in revenue was due to the reduction of industrial waste disposal of 11.04 percent and the declining of service fee of 18.55 percent for the cumulative period for nine months. The revenue decreased by 70.25 Million Baht or 22.88 percent due to the reduction in the quantity of industrial waste disposal of 22.85 percent and declining of service fee of 14.83 percent compared to the same period of the previous year. A decrease in quantity of industrial waste is due to external factors; however, the company is adjusting the strategy to suit the situation.

### Cost of Services:

Cost of industrial waste disposal services consists of variable costs including cost of fuels used in combusting, cost of transportation, cost of fuels used in transportation, and compensation expenses for the Factory Department. It also consists of fixed costs which are mostly salaries expenses, employee compensation, depreciation of machinery, and depreciation of vehicles for transportation. The company is currently developing the machine operation technique to be able to save more costs.

### Other income:

Other incomes derived from other services and interest income.

Administrative expenses, Executive Compensation, and Financial costs:

Most of major expenses are salaries expenses, employee compensation, and office management expenses.

Share of profit from investment in associates:

This is an investment in a small power plant business. The company recognizes profit(loss) under the equity method. For the Third Quarter, the company realized additional profit of 4.16 Million Baht and for nine months, the additional profit is 12.21 Million Baht.

# Profit (loss) for the quarter:

According to the previous causes, the company's net profit for the Third Quarter was 12.71 Million Baht and the company's net profit for nine months was 9.95 Million Baht.
