Remarks: The ratio in the income statement is as a percentage of total revenue, except for the cost of services and gross profit that expressed as a percentage of revenues from services.

## Service revenue:

Revenue from industrial waste disposal services for this 9-Months decreased by 10.69 million baht or 4 percent from the same period last year. In this period, the Company had adjusted the service rate according to the new policy. As a result, the average service fee per ton increased by 33 percent compared to the same period prior year, which caused the reduced amount of industrial waste that is received for disposal. In this 9-Month, the amount of industrial waste received for disposal decreased by 30 percent compared to the same period previous year.

#### Cost of service:

Cost of industrial waste disposal services consists of variable costs including the cost of fuels used in combusting, the cost of transportation and equipment and DIW benefits and fixed costs including salaries and employee benefits, depreciation of machinery and equipment, and depreciation of vehicle for transportation. Since there was a higher service rate, the service cost to profit ratio was lower compared to the same period of the previous year.

#### Other income:

Other incomes derived from other services and interest income which increased from the same period of the previous year about 2.77 million baht.

## Service and Administrative expenses, Executive compensation and Financial costs:

Most of these expenses are salaries, office employee benefits, and office administrative expenses. For this period, the expenses were similar to the same period of the prior year.

#### Share of profit from investment in associates:

This is an investment in small scale power plant business. The Company recognizes loss under the equity method. For this 9-Months, share of profit from investment in associates was 5.76 million baht.

#### Profit (loss) for the Quarter and 9-Months:

From the above, the company had a net profit of 11.71 million baht for the third quarter and 26.52 million baht for the 9-months period.
